

Standard Cork Backed Coasters

Cork backed coasters are very environmentally friendly, giving them an advantage over other promotional items. They are made from 100% recycled grey board, and as cork is a natural product, it is completely compostable, paper is FSC certified.

PERFECT FOR: Drinks companies and bars. These are a long lasting yet inexpensive way to advertise your message and are great for large quantities.

ADVANTAGES: They are practical and durable, and light enough to send as part of a mailing campaign.

WARNING: These do have a grey board centre and have been known to last for 15 years on a desk, however, these CANNOT be submerged in water.

EXTRAS: Gloss laminated paper 0.5mm, mounted on to 1.5mm (100% recycled) grey board centre with a 1mm cork base.

LEAD TIME: 5-7 working days up to 1000 | 10-15 working days up to 20,000
