- 1 Traditional chocolate treats that are hunted for at Easter.
- 2 A Badger Design product type that is used for writing on and easily erasing, making it a practical and reusable promotional item: Drywipe \_\_\_\_\_.
- 3 A Badger Design product that is great for decoration or branding, offering a fun and eye-catching way to promote businesses, events, and campaigns. Available in different materials, on sheets, as individuals, and on rolls.
- 4 Very hoppy animals.
- 5 A Badger Design product that can be attached to metal surfaces, ensuring a brand stays visible on fridges, filing cabinets, and other magnetic surfaces.
- 6 Our mascot creature.
- 7 A Badger Design product that is perfect for reinforcing brand recognition with every coffee break.
- 8 A way to turn used materials into something new instead of discarding them.
- 9 A Badger Design products that are small, portable, and useful daily, keeping brands in sight as a practical and stylish promotional giveaway. Often attached to something you carry every day.
- 10 A Badger Design product that is worn to display names, ensuring professional branding and visibility at corporate events, conferences, and exhibitions.
