

Recycled Acrylic Magnets

Our recycled acrylic magnets are laser cut, meaning they can be produced to unique shapes, for example, different animals, such as elephants or giraffes, or even an ancient Greek pot, capturing the shape of the handles.

Quantity:	50	100	200	500	1000
Within 60mm x 60mm	£2.05	£1.70	£1.55	£1.60	£1.45
